

Herrings Count! Fab Fish Art Contest

The Jones River Landing Environmental Heritage Center's second annual river herring art contest.

Contest Guidelines

- Any groups or individuals are encouraged to participate by submitting an artistic rendering of a river herring
- Examples of river herring can be viewed online at www.jonesriver.org or by stopping by the Landing
- All submissions should be at least 3 feet by 1 ½ feet to be visible from a distance
- All submissions should also be portable and able to be displayed outside without being damaged by weather
- Any variety of project mediums are welcomed from pop to folk art including painting, sculpture, drawing, flags or anything else creative, interesting and fun!
- Viewers' choice prize will be awarded to the project receiving the most votes online and while on display at the festival
- Judges' choice prize will be awarded by a panel of judges and announced at the festival
