

Re: *Kingston's vote to buy MacFarlane Homestead*

Call for volunteers!

We need a 2/3 vote IN FAVOR OF buying the MacFarlane Homestead at the Kingston Town Meeting on April 9 and 10.

HERE'S HOW WE MAKE IT HAPPEN:

We need volunteers NOW TO REACH OUT TO THE TOWN and

1. EXPLAIN how we buy the property (see attached sheet).
The 3% CPA funds ALREADY IN HAND allow us to carry out all the projects on this year's list (digitization of Kingston Public Library, a town-wide archaeological survey, preservation and reuse of Adams Library, structural analysis of the Bradford House) with the exception of the MacFarlane purchase. To buy MacFarlane the town needs to borrow against future CPA revenues--not new taxes.
2. CANVAS at the trash collection station, super markets, post office, mobile home parks, and senior residences, and give out
 - a. an information flyer (see attached sheet)
 - b. a bumper sticker which says
"Save Taxes/Buy MacFarlane Homestead,"
 - c. lawn signs to those who want to show the groundswell of grassroots support.
3. Gather names of supporters of the purchase ---names, phone numbers, email addresses, and give out the website for those who are interested in more info.
4. WRITE letters of support to the editors and PUT FLIERS IN THE NEWSPAPERS before Town Meeting.
5. CALL the day before Town Meeting to remind folks to attend and vote to support the purchase, to keep the CPA at 3%, and to remind them how crucial their vote will be.
6. HOLD SIGNS IN SUPPORT outside Town Meeting.
